

MK Cleaning Service

COMMERCIAL + RESIDENTIAL

CAPABILITY STATEMENT

At MK cleaning Service, we take pride in our detail oriented cleaning with 15 years of experience in construction and commercial cleaning industries. We have a specific cleaning schedule set in place for every property to accommodate all aspects of each individual cleaning need. MK cleaning is also OSHA certified and green cleaning capable. Let MK cleaning accommodate your cleaning needs. Our unique approach is:

- Site checklist for each property.
- Deep cleaning cycle.
- A supervisor at each site to help to ensure contract compliance.
- We break down each property into sections that get a high detailed cleaning.

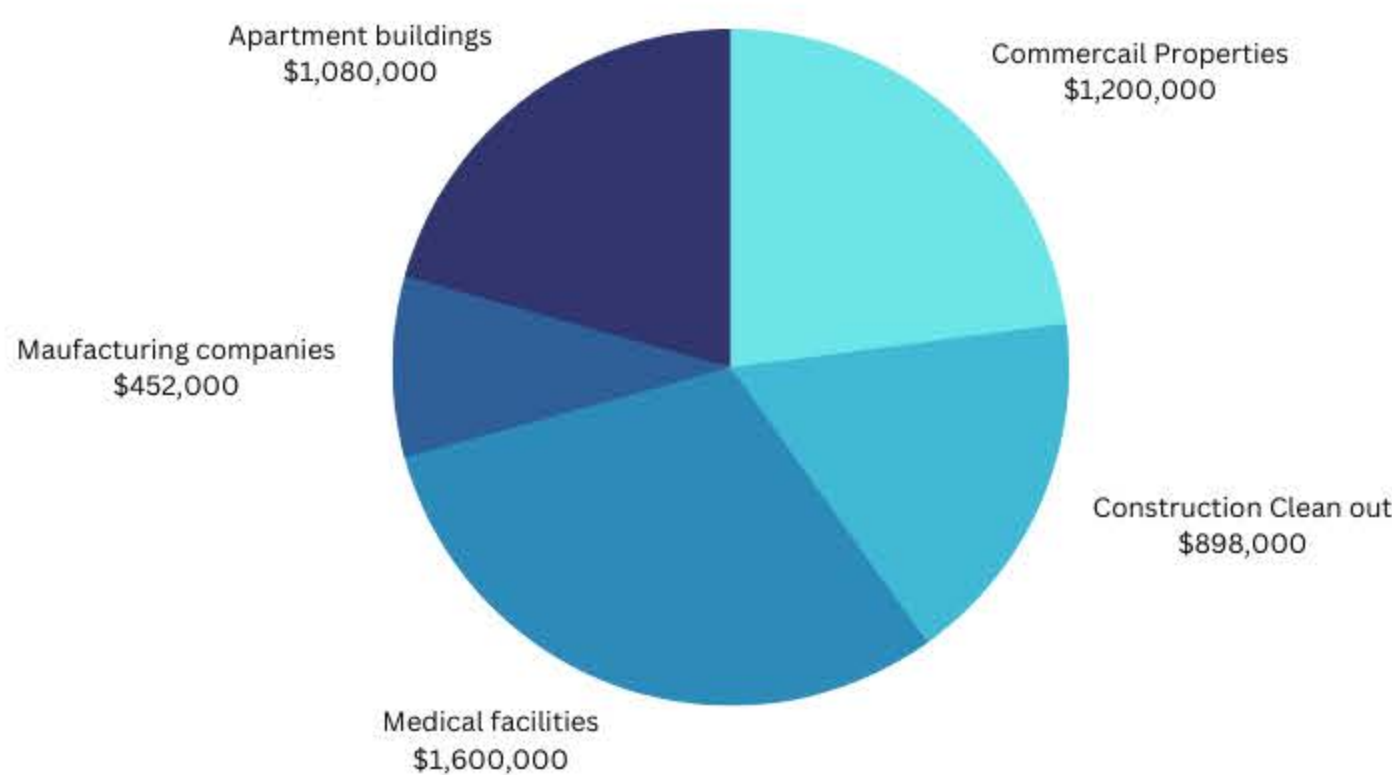

This allows sites to be maintained and thoroughly detailed.

STAFF CAPABILITY

- 52 employees with multiple years of experience
- 3 month of specialized training for new employees
- 3 levels of management

Differentiators

- Random quality checks weekly
- Our hands on approach build strong bonds with our clients
- Our approach to customer service gives us glowing referrals.
